

3rd ANNUAL RESEARCH SHOWCASE

# Books Launch

**Gunhild Hoogensen Gjørvi, University of Tromsø**

**Dawn Bazely, Biology**

*Environmental and Human Security in the Arctic*

**Ellie Perkins, Environmental Studies**

*Water and Climate Change in Africa*

*Challenges and community initiatives in Durban, Maputo and Nairobi*

Join IRIS for our annual research showcase! This year we celebrate the launch of two new books by IRIS Core Faculty members. The first is hailed as the first comprehensive exploration of why human security is relevant to the Arctic. The second highlights how water governance is a crucial aspect of climate change resilience because weather extremes are the main way that climate change manifests itself.

**Thurs. March 27, 2014**

**11 am - 12:30 pm EST**

**140 HNES**

**Keele Campus**
